Dear Emory,

Thanks for the copy of the notice on the availab;e Church Reports. I have these. And 6ne ot 7 volumes of hearings,expurgated, that is.

We have won a smashing, sweeping remand in the spectro/NAAs case. I'm pleased that the press has ignored it. Right now I prefer it that way.

We are going to wind up deposing a number, including Frazier, Gallagher and others. How we'll pay for it is less certain, but somehow it will be done.

We are going to begin with interrogatories aimed at establishing those we may want to depose and in general preparing us for the most effecient deposings.

In less than two weeks Jim will be leaving the country for a short period. We would like to file these before he leaves. If you have any suggestions, please send them to him at 1231 4 St., SW, D.C. 20024. Later, if you have any suggestions on deposees and questions to be asked of them, ditto.

Today was the last day to stay the appeals reversal, Jim did not report receiving any such notice, the AUSA did not announce it in court yesterday, so maybe this time they did not dare go to the Supreme Court. After the oral arguments I felt they would.

Thanks,

and best regards,
